## LIMITED WARRANTY POLICY

### AIR BRAKE PRODUCTS

This warranty has been drafted to comply with Federal rules issued under the Magnuson-Moss Warranty Act applicable to products manufactured after December 31, 1976.

**WARRANTY COVERAGE:** This remanufactured unit is warranted against defective materials or workmanship. **THIS WARRANTY IS VOID IF: THE UNIT HAS BEEN DAMAGED BY ACCIDENT OR UNREASONABLE USE, NEGLIGENCE, IMPROPER SERVICE OR OTHER CAUSES NOT ARISING OUT OF DEFECTS IN MATERIALS OR WORKMANSHIP.**

**WARRANTY PERFORMANCE:** During the warranty period the unit will either be repaired or replaced (at our option) with a remanufactured model of an equivalent quality when the unit is returned, postage prepaid and insured to our facility. In the event of replacement with a remanufactured model the replacement unit will provide a new warranty.

PRIOR REMANUFACTURING, INC. warrants to the original purchaser that all products will be free of defective materials and workmanship for the following time periods and mileage durations.

	MONTHS	MILEAGE	KILOMETERS	HOURS
AIR COMPRESSORS (ALL SERIES AND MODELS)	24	200,000	320,000	7,200
AIR VALVES (ALL SERIES AND MODELS)	24	200,000	320,000	7,200
SPRING BRAKES (ALL SERIES AND MODELS)	24	200,000	320,000	7,200
ALL OTHER PRIOR REMANUFACTURING, INC. AIR BRAKE PRODUCTS	24	200,000	320,000	7,200

**WARRANTY DISCLAIMERS:** WITH RESPECT TO CONSUMER USE OF THE UNIT, ANY IMPLIED WARRANTIES WHICH THE CONSUMER MAY HAVE ARE LIMITED IN DURATION TO THE ABOVE 24 MONTH / 200,000 MILE PERIOD. WITH RESPECT TO COMMERCIAL AND INDUSTRIAL USES OF THE UNIT, THE FOREGOING WARRANTY IS IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES, WHETHER EXPRESSED OR IMPLIED, BY OPERATION OF LAW OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. TO THE EXTENT ALLOWED BY LAW, THE COMPANY SHALL NOT BE LIABLE FOR LOSS OF USE OF THE UNIT OR OTHER INCIDENTAL OR CONSEQUENTIAL COST, EXPENSES, OR DAMAGES INCURRED BY THE PURCHASER.

Some states do not allow the exclusion or limitation of implied warranties, incidental or consequential damages, so the above limitations or exclusions may not apply to you.

**Legal Remedies:** This warranty gives you specific legal rights, and you may also have other rights that vary from state to state.

# **MATERIALS RETURN POLICY**

## **CORE RETURNS:**

Core credits are issued based on eligibility for units purchased within the previous six months. Core credit will not be issued for any units returned in excess of purchases. Customer will be notified of units returned in excess of purchases and will be returned if requested. Any excess units held for six months after notification will be scrapped or sold for storage costs. All Core Returns should be properly marked and have sufficient paper work to assure correct credit. All Cores are to be returned in the Original Box to receive credit.

Units purchased as complete (Booster with Master Cylinder) must be returned with the booster and master cylinder attached to receive credit.

The following are not acceptable for credit or exchange:

- Badly rusted or corroded from the lack of use or neglect.
- Units not shown in our catalog or price lists.
- Wrecked or burned units.

Cores should be sent in less connections, fittings, air cleaners, mounting brackets (except some General Motors applications, where the units may have brackets riveted on).

Exchange prices are based on wear and do not cover missing, broken, or damaged parts; such as end plates, housings, shells, cans, tubes, etc. Charges for broken or missing parts are shown on the back page of the price sheet.

To ensure that the proper freight discounts can be utilized, the Bill Of Lading should be filled out as follows:

<b>QTY</b>	<b>DESCRIPTION</b>	<b>WEIGHT</b>
<b>(NO.)</b>	<b>(Pallet, Skid, Carton...etc.)</b>	<b>(Lbs.)</b>
<b>CASTINGS IN THE ROUGH</b> <b>CLASS 50 ITEM NO. 104780 SUB. 3</b>		

**NOTE: ALL FREIGHT SHOULD BE SENT IN FREIGHT COLLECT. YOUR SHIPMENT SHOULD WEIGH 200 POUNDS OR MORE TO RECEIVE FREIGHT CREDIT.** Your cooperation will enable us to keep our freight costs to a minimum and avoid charge backs for shipments due to weights below the minimum or higher class rate charges we incur related to improperly completed Bills Of Lading.

**No other information** such as "used auto parts" or "brake castings" should be on the Bill Of Lading. This can be interpreted as another item number and classed at a higher rate.

**PLEASE FORWARD THIS INFORMATION TO ALL PERSONS RESPONSIBLE FOR COMPLETING THE FREIGHT BILLS FOR CORE RETURN SHIPMENTS.**

## **WARRANTY RETURNS:**

Units returned for warranty credit are to be tagged with reason for return marked. Warranty Units can be returned with a regular shipment of old cores but should be listed on a separate packing list.

Our warranty does not apply when units have been disassembled, improperly installed, improperly maintained, or repaired by anyone other than authorized personnel at our factory. Our warranty does not cover labor claims or other charges. See detailed Warranty Policy in front of catalog.

# PRIOR AUTOMOTIVE PRODUCTS, LLC

## LIMITED WARRANTY POLICY VACUUM - HYDRAULIC POWER BRAKES

Prior Brake Products warranties to the original purchaser of its products that those products will be free of defective materials and workmanship. This does not include defects caused by neglect, improper installation, maintenance or service.

**Warranty Duration:** All new and remanufactured products for automotive passenger cars and light duty trucks are warranted to the owner of the vehicle for which the unit was purchased for a period of 12 months from the original purchase date or 15,000 miles after installation, whichever comes first.

To make a claim under this warranty it must be returned to the factory or the store where purchased with proof of purchase and paperwork or warranty tag explaining the reason for the : The paperwork or warranty tag must be completely filled out by the installer or the original pur

During the above warranty period, the unit will either be repaired or replaced, or credit issued when the unit is returned.

Prior Brake Products liability does not include Labor Charges or Incidental or Consequential Damage.

**Warranty Disclaimer:** This warranty is in lieu of and excludes all other warranties, expressed or implied, arising by operation of law or otherwise, including any implied warranty or merchantability or fitness for a particular purpose, and in no event will Prior Brake Products be liable for incidental or consequential damage.

This warranty has been drafted to comply with Federal rules issued under the Magnuson-Moss Warranty Act applicable to products manufactured after December 31, 1976.

Some states do not allow the exclusion or limitation of implied warranties, incidental or consequential damages, so the above limitations or exclusions may not apply to you.

**Legal Remedies:** This warranty gives you specific legal rights, and you may also have other rights that vary from state to state.

C448, C448G, C448R, C448R WILL INTERCHANGE - EARLY MODEL HAS SHIELD BETWEEN THE TWO CANS & 1/8-27 NPT OUTPUT PORT ON SIDE OF SLAVE CYLINDER.

C448K HAS RESIDUAL CHECK VALVE IN THE SLAVE CYLINDER END NUT. IT HAS 1/2-20 OUTPUT PORT IN THE END CAP (SEE ARROW 1).

\* LATE MODEL HAS NO SHIELD (SEE ARROW 4).

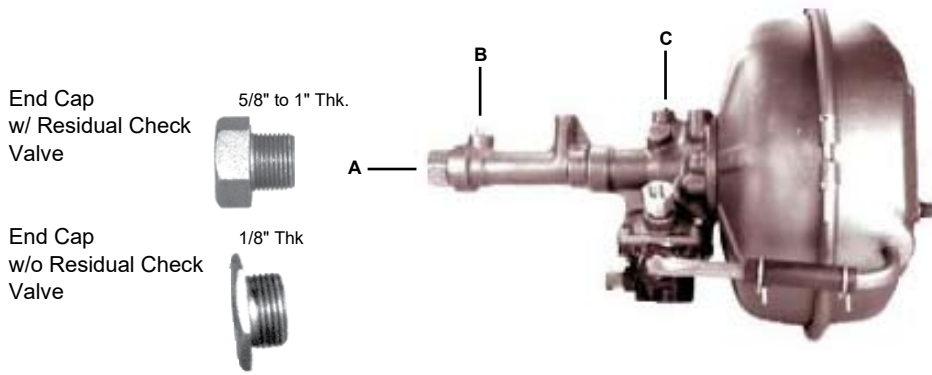

\*\* C448G & C448K ARE THE SAME IN APPEARANCE EXCEPT FOR THE DIFFERENT SLAVE CYLINDER NUTS AND DIFFERENT POSITIONED OUTPUT PORTS.

NOTE: C448M HAS ONE BLEEDER SCREW AT CONTROL VALVE HOUSING (SEE ARROW 2). ALSO HAS A PIPE PLUG IN THE END OF THE SLAVE CYLINDER (SEE ARROW 3).

NOTE: C448R HAS TWO BLEEDER SCREWS, ONE AT ARROW 2 AND ONE AT ARROW 3, INSTEAD OF PIPE PLUG.
